# Kindy News

*The latest news and information about the world of kindergarten*

The children are now extremely well settled with a strong feeling of belonging. We thank families for also contributing to this by supporting your child to separate and supporting them to be more independent and confident.

Parent Roster will commence in Term 2. A roster will be placed on the sign-in table if you would like to stay and join in our learning.

Please check the noticeboards for the latest news and updates between newsletters.

## Family Plaques Order by 29 March

To celebrate the Kindy's history we have established a Family Memory Wall at the entrance to the Kindergarten (on the Multi-purpose building wall). Family plaques can be purchased and will feature your family name, your child/ren's attendance details and an optional picture symbol.

Don't miss out on being a part of the Kindy's history.

The [order form is attached](#) and also available at the sign in table.

## Working Bee

A great big thank you to the generous families who helped at the working bee. The kindly looks amazing.

If you were unable to attend the first working bee, our final working bee will be held later in the year on Sunday, 8 September.

There is still a job that was unable to be completed at the working bee. The timber seats on the deck and verandah as well as the timber cubby/playground floor needs oiling. Please see Colleen if you are able to assist with this task. This is a great way to get your name ticked off to avoid the Non-Participation Levy.

## Telstra Kids Grant

We are delighted to announce our success in applying for a \$1,200 grant from Telstra.

Telstra Kids funds the little things that can make a big difference to kids' lives, helping kids to play and learn. Our Telstra Kids grant will be used to purchase iPads and a portable speaker.

Huge thanks to Barry Chaplin from Telstra, who is the referrer, for applying for the funding for us.

We are very excited to share in the million dollars the Telstra Foundation provides each year to help kids across Australia to a digital future.

## Bunnings Sausage Sizzle

### Sunday, 26 May

We were lucky to secure a spot for a Bunnings Sausage Sizzle—Sunday, 26 May from around 7.30am to 5.00pm. This will be a huge day!!!!

A roster will be on the sign-in table a few weeks before regarding volunteers needed on the day. Please also consider donating items needed for the Sausage Sizzle (these are listed on the bottom of the roster).

This fundraising event will only be a success with lots of help and it will also be a great chance to socialise with other parents so come along and get involved in helping to raise funds that go directly to benefiting our children.

Also, if you know of any businesses that can help with donating sausages, bread, onions, sauces can you please email Suzan and she will pass it onto our Fundraising Coordinators..

# Children's & Parent Lending Library will close for Term 1!!

The Lending Library has been well used this term.

Please return all borrowed books by Friday, 29 March.

The library will reopen again from Monday, 29 April in Term 2.

## Immunisation Record Audit

Thank you to those families that have updated their child's Immunisation Record. If you haven't as yet provided the Kindy with an Immunisation History Statement from ACIR, can you please do so before the end of Term 1.

**A copy of a child's Red Book (or other state-based Personal Health Record) is no longer recognised as an official record.** Parents / guardians can obtain an **Immunisation History Statement from ACIR** for their child, free of charge, at any time:

- through [Medicare Online Services](#)
- through the Medicare Express App, available for download from Google Play and iTunes stores
- By emailing [acir@medicareaustralia.gov.au](mailto:acir@medicareaustralia.gov.au) supplying the child's full name, date of birth and Medicare number
- by calling the ACIR on 1800 653 809
- In person at a local Medicare Service Centre.
